

# Rockfall Drapes

# Rockfall drapes

- Like a “curtain” system
- Mesh rolled down over the slope
- Mesh fixed at the top with wire ropes and rope anchors
- For controlled rockfall events

# Geobrugg Mesh Offerings for Drapes

SPIDER S4-130

# Comparison of Impact Load Distribution

The load distribution by a local impact is much more favorable with rhomboidal meshes!

## **TECCO Drape – San Diego County, CA**

## **Deltax Drape vs . Hex mesh**

## Alexandra Bluffs, Highway 1
